## ACTIVITY

Read through the behaviour indicators below and then tick the box next to the behaviour that best describe your way of information gathering:

| Most of the time, I: |  |  |
| :---: | :---: | :---: |
| 1. | Do not actively search for new information about the internal and external environment |  |
| 2. | Search narrowly for information |  |
| 3. | Regularly gather broad information about the company and its operations (customers, competitors, markets, costs, sales) |  |
| 4. | Gather information about the future (e.g. the changing organisational environment, new customer benefits, new products, future competition, changing technology) |  |
| 5. | Provide ways to exchange relevant information (finger on the pulse) |  |
| 6. | Provide people with information they need |  |
| 7. | Gather information about the perceptions or expectations of customers (e.g. Markinor), employees (e.g. Pulse) and stakeholders |  |
| 8. | Use a wide range of sources for information (newspapers, magazines, etc) |  |
| 9. | May miss important categories of relevant information |  |
| 10. | Trust that my own information is valid |  |
| 11. | Take information at face value |  |
| 12. | Lack sufficient knowledge to ask appropriate questions to gather more information |  |
| 13. | Evaluate and verify information gathered for accuracy and quality |  |
| 14. | Gather information from formal and informal networks |  |
| 15. | Analyse business environments (including financial statements) |  |
| 16. | Review the needs for information regularly and adjust systems accordingly |  |
| 17. | Establish systems to ensure that important information is gathered and available |  |
| 18. | Use the Internet to collect information |  |
| 19. | Notice gaps and discrepancies between information sources |  |
| 20. | Rely only on others for information |  |
| 21. | Use only information that is passed downwards from top management |  |
| 22. | Keep abreast of the latest technologies and information relevant to the business |  |
| 23. | Improve skills levels by networking |  |
| 24. | Establish networks of key individuals in different fields worldwide |  |
