Conduct a Continuous Risk Assessment in the Workplace

Handout 2

Hazard Identification Template

The following template can be used to identify hazards:

Task	Hazard	Risk	Priority	Control
Delivering product to customers	Drivers work alone	May be unable to call for help if needed		
	Drivers have to occasionally work long hours	Fatigue, short rest time between shifts		
	Drivers are often in very congested traffic	Increased chance of collision		
		Longer working hours		
	Drivers have to lift boxes when delivering product	Injury to back from lifting, reaching, carrying, etc.
