
Problem-Solving Worksheet

1. Identify the problem: _____

2. List the consequences of the problem:

3. Generate possible solutions:

4. Evaluate each solution:

Pros

Cons

5. Choose the best solution: _____

6. Evaluate the success of the solution:

Problem-Solving Worksheet

1. Identify the problem: _____

2. List the consequences of the problem:

3. Generate possible solutions:

4. Evaluate each solution:

Pros

Cons

5. Choose the best solution: _____

6. Evaluate the success of the solution:

Problem-Solving Worksheet

1. Identify the problem: _____

2. List the consequences of the problem:

3. Generate possible solutions:

4. Evaluate each solution:

Pros

Cons

5. Choose the best solution: _____

6. Evaluate the success of the solution:

Problem-Solving Worksheet

1. Identify the problem: _____

2. List the consequences of the problem:

3. Generate possible solutions:

4. Evaluate each solution:

Pros

Cons

5. Choose the best solution: _____

6. Evaluate the success of the solution:

Problem-Solving Worksheet

1. Identify the problem: _____

2. List the consequences of the problem:

3. Generate possible solutions:

4. Evaluate each solution:

Pros

Cons

5. Choose the best solution: _____

6. Evaluate the success of the solution:

Problem-Solving Worksheet

1. Identify the problem: _____

2. List the consequences of the problem:

3. Generate possible solutions:

4. Evaluate each solution:

Pros

Cons

5. Choose the best solution: _____

6. Evaluate the success of the solution:

Problem-Solving Worksheet

1. Identify the problem: _____

2. List the consequences of the problem:

3. Generate possible solutions:

4. Evaluate each solution:

Pros

Cons

5. Choose the best solution: _____

6. Evaluate the success of the solution:

Problem-Solving Worksheet

1. Identify the problem: _____

2. List the consequences of the problem:

3. Generate possible solutions:

4. Evaluate each solution:

Pros

Cons

5. Choose the best solution: _____

6. Evaluate the success of the solution:

Problem-Solving Worksheet

1. Identify the problem: _____

2. List the consequences of the problem:

3. Generate possible solutions:

4. Evaluate each solution:

Pros

Cons

5. Choose the best solution: _____

6. Evaluate the success of the solution:

Problem-Solving Worksheet

1. Identify the problem: _____

2. List the consequences of the problem:

3. Generate possible solutions:

4. Evaluate each solution:

Pros

Cons

5. Choose the best solution: _____

6. Evaluate the success of the solution:

Problem-Solving Worksheet

1. Identify the problem: _____

2. List the consequences of the problem:

3. Generate possible solutions:

4. Evaluate each solution:

Pros

Cons

5. Choose the best solution: _____

6. Evaluate the success of the solution:

Problem-Solving Worksheet

1. Identify the problem: _____
